12<sup>th</sup> | Percentage: **78.40 / 100**

10<sup>th</sup> | Percentage: **82.20 / 100**

## PROJECTS

### YouTube Clone

Team Size: 1

Key Skills: HTML CSS

Project Link: <https://vizpecial.github.io/YouTube-Clone/>

Very simple YouTube Clone

### Weather App

Key Skills: CSS HTML5 JScrip Web API

Project Link: <https://vizpecial.github.io/Weather-App/>

A simple and elegant Weather App that lets you check the current weather for any city in the world in just a few clicks. This project is built to practice working with APIs, clean UI design, and real-time data rendering on the web.

### My Portfolio

Key Skills: HTML5 JScrip CSS

Project Link: <https://vizpecial.github.io/Portfolio/>

This project is a personal portfolio website designed to showcase my skills, projects, and contact information in a clean, developer-focused layout. It highlights my work through dedicated sections for projects, an about area, and links to my GitHub and other profiles, making it easy for visitors and recruiters to explore what I do. The site is built as a responsive, modern web page, reflecting good practices in structure, styling, and presentation for a professional online presence.
